

# PAST LIVES RE-PROGRAMMING AND SOUL RETRIEVAL WORKSHOP

THE

# Soul's Journey

ARE YOUR PAST LIVES AFFECTING YOUR PRESENT?

## DO YOU SUFFER FROM A PHOBIA OR IRRATIONAL FEAR...

- But can find no obvious cause?
- Have an unusually strong emotional bond to a friend, family member or acquaintance that cannot be explained by your present relationship?
- Feel negativity towards someone without understanding why you dislike them?
- Find yourself distrustful of certain people and fearful of your safety and security, although there is no logical reason for your anxiety?
- Have any persistent physical ailments or health issues that you or your doctors are unable to find a physical cause?

**LEARN HOW TO RECOGNIZE, DEMOLISH AND OVERCOME PAST LIFE "FEAR PROGRAMS" (NEGATIVE KARMA) THAT ARE CAUSING ILLNESS AND STRESS. ALSO DEMOLISH CURRENT LIFE "CONDITIONED" FEAR PROGRAMS SO THEY WON'T CARRY ON INTO YOUR NEXT LIFE AS NEGATIVE KARMA.**

"Every FEAR we experience (except the fear of falling & loud noises), is either conditioned or programmed into us by our environments & our caregivers or, was present before birth. In other words, if you have a fear that has no history to blame that fear on (like getting bit by a dog as a child can explain a fear of dogs as an adult or your mother was deathly afraid of deep water and so you have the same fear now), then you have brought that fear in from a past life. Psychologists call these phobias, others call them negative karma."

**ON SUNDAY, MAY 1<sup>ST</sup> 2016 FROM 1:00PM TO 3:00PM FOR \$10  
AT UNITY CHURCH - 2027 W MARCH LN #4, STOCKTON, CA 95207**
